3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.

## William Shakespeare

### Coriolanus

Shakespeare was passionately interested in the history of Rome, as is evident from plays like Titus Andronicus, Julius Caesar, and Antony and Cleopatra. His tragedy Coriolanus was probably written around 1605–07, and dramatizes the rise and fall of a great Roman general, Caius Martius (later surnamed Coriolanus because of his military victory at Corioli). This play is unusual in that it provides a strong voice for the ordinary citizens of Rome, who begin the play rioting about the high price of food, and who continually clash with Coriolanus because of his contempt for plebians.
